LETTER OF COMPLETION

Dear Vishakha Jaiswal,

We are pleased to officially acknowledge the successful completion of your Data Analytics Program at KultureHire. Your dedication and contributions have been truly valuable.

Your 90 days Program commenced 21-10-2024.

Throughout this period, you consistently showcased commitment, enthusiasm, and strong work ethic. We were especially impressed by your achievements that stood out during the internship, e.g., analysing intricate data sets, producing insightful reports, etc. Your eagerness to embrace new challenges and adapt in a dynamic environment has been commendable.

Please consider this Letter of Completion as a formal recognition of your successful completion of the Data Analytics Program at KultureHire. We believe that you have a promising future in the field, and we wish you every success in your future endeavours.

If you ever need a reference or further support, please don't hesitate to reach out. Once again, congratulations on your accomplishments during your internship, and we look forward to witnessing your continued growth and success.

Sincerely,

Kadhiraavan Jayachandiran
